EUROSAT TASK FORCE on the Audit of Funds Allocated to Disasters and Catastrophes

EUROSAT Task Force on the Audit of Funds Allocated to Disasters and Catastrophes was formally established by a resolution of the VI ELROSAT Congress on June 5, 2008 in Krakow, Poland. [Resolution on the establishment of the EUROSAT Task Force](#)

The Task Force membership is represented by 18 European SAs with the Accounting Chamber of Ukraine as its Chair. [Members of EUROSAT Task Force](#)

Previously the Task Force had functioned as the Special Subgroup on the Audit of Natural, Man-Caused Disasters, Consequences and Radioactive Wastes Elimination within ELROSAT Working Group on Environmental Auditing (EUROSAT WGEA).

EUROSAT Task Force's **mission** is to coordinate and consolidate the efforts of European SAs towards increasing their awareness of the disasters and catastrophes and to help governments develop the effective and efficient instruments of disasters and catastrophes prevention and consequences elimination.

In order to achieve its mission EUROSAT Task Force has set the following **strategic goals**

1. Surveying the prevention and consequences elimination of disasters and catastrophes, the funds allocated thereto and the relevant audits, and contributing to audits, in particular concurrent or coordinated audits, by European SAs.
2. Developing the methodology and capacity building of SAs in the field of auditing the prevention and consequences elimination of disasters and catastrophes.
3. Enhancing the collaboration and setting up new contacts between SAs within the framework of the EUROSAT Task Force activities, facilitating the information sharing between European SAs and training.
4. Developing a common approach and coordination of the efforts with the INTOSAI and EUROSAT working bodies, as well as other international organizations.
