EUROSAI

Working Group on the Audit of Funds
Allocated to Disasters and Catastrophes

Given the trend towards an increasing frequency of disasters and calamities in Europe, there arises a necessity for further consolidation of efforts by the European Supreme Audit Institutions

Implementation of the Strategic Plan will contribute to implementation

EUROSAI
Working Group on the Audit of Funds
Allocated to Disasters and Catastrophes

1

Support and broker professional cooperation

2

Support and facilitate institutional capacity development

Рахункова
палата

The initiatives started in the previous strategic period by the Working Group will be continued

New ones will be undertaken within the framework of achieving three strategic goals aimed at:

1

Supporting innovation in auditing activities

2

Strengthening the institutional capacity of SAIs

3

Enhancing knowledge exchange in auditing activities

We expect that the implementation of the initiatives specified in the Strategic Plan will allow us:

- ✓ enhance audit methodology
- ✓ increase the significance and impact of our audits and their recommendations
- ✓ strengthen collaboration among member countries
